The map illustrates the National Highway System (NHS) in Cleveland, Tennessee. The city's urbanized area is highlighted in orange. Key features include:

- Interstate 75:** A major north-south corridor passing through the center of Cleveland.
- US Route 64:** An east-west route crossing the city.
- US Route 311:** A north-south route to the west of the city.
- US Route 411:** A north-south route to the east of the city.
- Railroads:** Norfolk Southern and CSX Transportation lines are shown running through the region.
- Geographic Features:** The Cherokee National Forest is located to the southeast, and the Tennessee River is visible in the northeast.

A legend on the left side of the map defines the symbols for various road types, land use, and transportation facilities. A scale bar and north arrow are provided for reference.
